

**CITY OF LAGRANGE, GEORGIA  
GENERAL ELECTRIC SERVICE  
Revised July 1, 2018**

**AVAILABILITY:**

Throughout the City's service area from existing lines of adequate capacity.

**APPLICABILITY:**

To all electric service of one standard voltage required by any customer receiving electric service at one point and metered at or compensated to that voltage who uses approximately 7,500 **KWH** or less during an average month and who would have a maximum 30-minute measured demand of less than 30 KW. This schedule is also applicable for outdoor lighting that is expected to operate only during evening hours.

**TYPE OF SERVICE:**

Single or three phase, 60 hertz, at a standard voltage.

**MONTHLY RATE - Energy Charge:**

Base Charge .....	\$22.00
First 1000 KWH.....	10.800 cents/KWH
Over 1000 KWH.....@.....	10.000 cents/KWH

**Minimum Monthly Bill: \$22.00**

**PURCHASED POWER ADJUSTMENT:**

The amount calculated at the above rate will be increased under the provisions of the City's Purchased Power Adjustment.

**LEVELIZED BILLING OPTION:**

Commercial customers with a good credit history and expected monthly billings of less than or equal to \$5000 may be offered the option of levelized billing. Signup will be limited to the months of September through May unless otherwise approved by the City. Details of this billing option are available from the City's Customer Service Division.

**ROUND-UP:**

Customers that do not notify the City of their desire to opt-out will have the total of their utility charges rounded up to the next whole dollar. The proceeds of this round-up will be used to assist low income customers pay their utility bills or as otherwise directed by the LaGrange City Council.

**CONTINUITY OF SERVICE:**

The City does not guarantee an uninterrupted or undisturbed supply of electric service. The City will not be responsible for any loss or damage resulting from the interruption or disturbance of service for any cause other than gross negligence of the City. The City will not be liable for any loss of profits or other consequential damages resulting from the use of service or any interruption or disturbance of service. The City shall not in any way be responsible for the transmission, use, or control of electrical energy beyond the point of connection to the customer's premises.
