

**CITY OF LAGRANGE  
COMMERCIAL GAS SERVICE  
Revised July 1, 2021**

**AVAILABILITY:**

Throughout the City's service territory from existing lines of adequate capacity.

**APPLICABILITY:**

Applicable to any commercial user for any purpose exclusive of resale.

**MONTHLY RATE:**

Base charge.....\$28.00

All consumption.....@.....\$0.54 per therm

**PURCHASED GAS ADJUSTMENT:**

The amount calculated at the above rate will be increased under the provisions of the City's effective Purchased Gas Adjustment Schedule.

**BTU ADJUSTMENT:**

Gas volumes metered in hundreds of cubic feet shall be multiplied by the factor in the City's BTU Adjustment Schedule in order to determine the number of therms consumed for billing purposes. The measurement of gas volumes shall be adjusted to standard temperature and pressure.

**LEVELIZED BILLING OPTION:**

Commercial customers with a good credit history and expected monthly billings of less than or equal to \$5000 may be offered the option of levelized billing. Signup will be limited to the months of September through May unless otherwise approved by the City. Details of this billing option are available from the City's Customer Service Division.

**ROUND-UP**

Customers that do not notify the City of their desire to opt-out will have the total of their utility charges rounded up to the next whole dollar. The proceeds of this round-up will be used to assist low income customers pay their utility bills or as otherwise directed by the LaGrange City Council.

**CONTINUITY OF SERVICE:**

The City does not guarantee an uninterrupted or undisturbed supply of natural gas service. The City will not be responsible for any loss or damage resulting from the interruption or disturbance of service for any cause other than gross negligence of the City. The City will not be liable for any loss of profits or other consequential damages resulting from the use of service or any interruption or disturbance of service. The City shall not in any way be responsible for the transmission, use, or control of natural gas beyond the point of connection to the customer's premises.
